Welcome to the Neighborhood

Dear Homeowner,

On behalf of the Marlborough at Dana Ranch Home Owners Association, we would like to welcome you to the neighborhood. We are a volunteer based association of homeowners which keeps our dues low and the neighborhood looking nice. We hope you find it to be an enjoyable living experience here in Dana Ranch.

Please visit our website www.danaranchhoa.com for information on upcoming events as well as documents such as our CC&R's and Architectural Change form. We would like to take this time to inform you about some common violations in our neighborhood such as:

- parking in rocks or unpaved areas is not allowed
- leaving trash/recycle containers out and visible from neighboring properties longer than 24hrs after collection
- not keeping landscaped areas neatly trimmed and free of weeds and debris

Inspections are done once a month and violation letters are sent out accordingly. You can also e-mail us with any questions you may have at: info@danaranchhoa.com.

The goal of our association is to keep our community looking attractive and safe for all who live here. Please help us to continue maintaining a neat and clean neighborhood that shows pride of homeownership.

Once again, Welcome to the Neighborhood!

Sincerely,

Your HOA Board

Architectural Guidelines

Most Common Questions

Details of all these answers are in your CC&Rs

Q. What do I do if I want to paint my home or change my landscaping?

A. Painting: If you are using the same pre-approved color(s), no notification/permission is necessary. If you are changing the colors, fill out a copy of the Architectural Change Request form found on the website and mail or drop off at a board members home with physical paint chips for review or approval. We are not able to accept photos or scanned paint chips as the colors are not represented well electronically. For further questions, please email us at: info@danaranchhoa.com

Landscaping: fill out the Architectural form and submit via email to: info@danaranchhoa.com for approval.

Q. Where do my garbage cans need to be stored?

A. Out of sight. This means behind your gate, or in a garage. On the side of your home or in front of your garage is not allowed per Article III, Sec. 7 of the guidelines.

Q. Can I store my recreational vehicles on my property?

A. Yes, as long as they are behind your fence and cannot be seen over it. **If you have guests visiting for a *short* time that will stay in an RV in front of your home, please let your neighbors know. This will assure others of your good intentions. This also applied if you are getting your boat/camper ready for a trip, etc. (Article III, Section 6)

Q. Where can I park?

A. Your garage is preferable. If you need to park your vehicle outside, it must be on your concrete driveway. Parking in rocks on any area of your yard is not allowed.

Q. If I have a problem with a neighbor, who do I call?

A. Hopefully, you will get to know and like your neighbors so any issues can be resolved between friends. As this is not a perfect world, however, the board will be happy to help with any issue covered in the CC&Rs. If it is outside our jurisdiction, you are encouraged to call the proper local authority over the area of your concern. If you are not sure, you may reach out to a board member.

Q. What does the HOA expect of me?

A. We all want to sustain, if not increase, the property values of our homes. This implies keeping our front and side yards clean, alive, trimmed and weed free as well as keeping our homes paint, screens, gates, etc. in good shape. We hope you will feel a sense of pride in your home and community. We encourage you to get to know your neighbors and be active in the community. We should all be here to support each other. (Article III, Section 9 & Article III, Section 15)

Section 8. Nuisances.

No rubbish or debris of any kind shall be placed or permitted to accumulate upon or adjacent to any lot, and no odors shall be permitted to arise therefrom, so as to render any such property or any portion thereof unsanitary, unsightly, offensive or detrimental to any other lot or to its occupants. No nuisance shall be permitted to exist or operate upon any lot so as to be offensive or detrimental to any other lot in the vicinity thereof or to its occupants. Without limiting the generality of any of the foregoing provisions, no exterior speakers, horns, whistles, bells or other sound devices, except security devices used exclusively for security purposes, shall be located, used or placed on any lot. The Board in its sole discretion shall have the right to determine the existence of any such nuisance.

Section 9. Landscaping.

Landscaping is an important component of community design as it softens the continuous expanse of pavement and buildings. Landscaping materials assist in abating erosion and reducing glare and dust. Properly coordinated landscaping, walls and screening devices effectively contribute to the logical development and coordinated appearance of a community. Accordingly, the following are minimum standards for all of the lots.

(a) Each lot shall be landscaped with turf, dense ground cover, native desert materials, trees, shrubs, grass or any combination thereof.

(b) Rocks and boulders, patios, sidewalks, railroad ties, telephone poles and other materials may be used to supplement vegetation and to create imaginative landscape design.

(c) Each property owner shall maintain landscaped areas neatly trimmed and free of weeds and debris.

(d) Each owner shall prevent unclean, unsightly or unkempt conditions of buildings or improvements on his lot which will detract from the neighborhood appearance.

(e) Each owner shall maintain all vacant and unimproved lots free of weeds and debris.

(f) In the event the owner of any lot fails to comply with this Section 9 after thirty (30) days' written notice to said owner, sent certified mail, return receipt requested, the Architectural Committee may cause said lot to be cleared, landscaped, and/or maintained so as to conform herewith, at the expense of owner. The charge therefor shall be a lien against said lot.

Each residence shall be subject to an easement for encroachments created by construction, settling and overhangs, as designed or constructed by the original builder. A valid easement for said encroachments and for the maintenance of same, so long as it stands, shall and does exist. In the event the residence is partially or totally destroyed, and then rebuilt, the owners agree that minor encroachments of parts of the adjacent residence due to construction shall be permitted and that a valid easement for said encroachment and the maintenance thereof shall exist. Anything herein to the contrary notwithstanding any such encroachment shall not exceed one (1) foot.

Section 11. Drainage.

No owner shall interfere with or obstruct the drainage pattern over his lot from or to any other lot as that pattern may be established by Declarant.

Section 12. No Subdivision.

Except as otherwise herein provided no lot shall be further subdivided or separated into smaller lots or parcels by any owner, and no portion less than all of any such lot, nor any easement or other interest therein, shall be conveyed or transferred by any owner without the prior written approval of the Board.

Section 13. Exploration and Excavation.

No lot shall be used in any manner to explore for or to remove any water, oil or other hydrocarbons, minerals of any kind, earth or any earth substance of any kind. No owner shall make any excavations for the deposit of trash on any lot.

Section 14. Construction, Occupancy, Sales.

(a) Occupancy. No building or structure upon any lot, or any portion thereof, shall be in any manner occupied in the course of original construction or until the same is substantially completed. All work of construction on each such building or structure shall be prosecuted diligently and continuously from the time of commencement of construction until the same shall be fully completed, except to the extent prevented by strikes, lock-outs, the elements or acts of God or any like matters. No trailer, basement of any incomplete building, tent, shack, garage or barn, and no temporary building or structure of any kind shall be used at any time for a residence on any lot, either temporary or permanent.

(b) Construction. As an incident to the construction of streets, utilities, and houses in MARLBOROUGH at DANA RANCH, Declarant may erect and use such facilities as in Declarant's sole opinion may be reasonably required, or convenient to that construction work, including without limitation, a business office, storage areas, and construction yards and buildings. When such construction is complete those facilities shall be removed.

(c) Sales. Declarant may erect and use model homes, signs, parking areas, and sales and display offices for the sale of houses.

Section 15. Repair of Buildings.

No building or structure upon any lot shall be permitted to fall into disrepair, and each such building and structure shall at all times be kept in good condition and repair and adequately painted or otherwise finished, provided, any owner may elect to demolish and remove any structure when its useful life is substantially expired.

Section 16. Signs.

No emblem, sign or billboard of any kind shall be displayed to the public view on any of the lots, except reasonable signs used by the Declarant to advertise the sale or lease of houses, and except that an owner may place on any lot one sign not more than eighteen (18) inches by twenty-four (24) inches in size advertising the house on the lot for sale or rent.

ARTICLE IV

Section 4. Other Damage.

In the event any such party wall or party fence is destroyed or damaged (including deterioration from ordinary wear and tear and lapse of time), other than by the act of an adjoining owner, his agents, guests or family, it shall be the obligation of all owners whose lots adjoin such walls or fence to rebuild and repair such wall or fence at their joint and equal expense.

Section 5. Structural Integrity.

Notwithstanding anything to the contrary herein contained, there shall be no impairment of the structural integrity of any party wall without the prior consent of all owners of any interest therein, whether by way of easement or in fee.

Section 6. Right of Contribution.

The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

The issuance of a certificate of completion and compliance by the Architectural Committee showing that the plans and specifications for the improvements or other matters herein provided for, or authorized, have been approved and that said improvements have been made in accordance therewith, or of a certificate as to any matters relating to the Architectural Committee, shall be conclusive upon all persons and shall fully justify and protect any title company or person certifying, guaranteeing or insuring the said title, or any lien thereon, and/or any interest therein, and shall also fully protect the purchaser or encumbrancer in good faith and for value in acting thereon, as to all matters within the jurisdiction of the Architectural Committee. In any event, after the expiration of one year from the date of approval by the Architectural Committee for any structure, work, improvement or alteration, the said structure, work, improvement or alteration shall, in favor of purchasers and encumbrancers in good faith and for value, be deemed to be in compliance with all the provisions thereof, unless actual notice executed by the Architectural Committee of such non-compliance and/or non-completion, shall appear of record in the office of the County Recorder of Maricopa County, or legal proceedings shall have been instituted to enforce completion and/or compliance.

Section 9. Access to Premises.

During reasonable hours Declarant, any member of the Architectural Committee, any member of the Board or any authorized representative of any of them, shall have the right to enter on and inspect any lot, and the improvements thereon, except for the interior portions of any residence, for the purpose of ascertaining whether or not the provisions of this Declaration have been or are being complied with, and such persons shall not be deemed guilty of trespass by reason of such entry.

The approval or disapproval by the committee of any plans or specifications, drawings, plot plans, grading plans, landscaping plans, height or any other matters submitted for approval or consent to or for action by the committee for any building or structure under this Article VII or any other provision of this Declaration shall not be deemed to be a waiver of the committee of its right to approve, disapprove, object

or consent to any of the features or elements embodied in any such plans, specifications, drawings, plot plans, grading plans, landscaping plans, height or other matter if or when the same features or elements are embodied in any other or subsequent plans, specifications, drawings, plot plans, grading plans, landscaping plans, height or other matter submitted to such committee.

Section 1. Every owner of a lot shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any lot which is subject to assessment.

Section 2. The Association shall have two classes of membership:

Class A. Class A members shall be all Owners with the exception of the Declarant, and shall be entitled to one vote for each lot owned. When more than one person holds an interest in any lot, all such persons shall be members. The vote for such lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any lot.

Class B. The Class B member(s) shall be the Declarant, and shall be entitled to three (3) votes for each lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(a) When the total votes outstanding in the Class A membership equal the total votes outstanding in the Class B membership, or

(b) On January 1, 1990.

Section 3. The vote for each such lot must be cast as a unit, and fractional votes shall not be allowed. In the event that joint owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter in question. If any owner or owners casts a vote representing a certain lot, it will thereafter be conclusively presumed for all purposes that he or they were acting with the authority and consent of all other owners of the same lot. In the event more than one vote is cast for a particular lot, none of said votes shall be counted as said votes shall be deemed void.

Section 4. In any election of the members of the Board, every owner entitled to vote at such an election shall have the right to cumulate his votes and give one candidate, or divide among any number of the candidates, a number of votes equal to the number of lots owned by the owner multiplied by the number of directors to be elected. The candidates receiving the highest number of votes, up to the number of the Board members to be elected, shall be deemed elected.

Section 5. Each member shall have such other rights, duties and obligations as set forth in the Articles and Bylaws, as same may be amended from time to time.

Section 6. The Association membership of each owner of a lot shall be appurtenant to said lot. The rights and obligations of an owner and membership in the Association shall not be assigned, transferred

pledged, conveyed or alienated in any way except upon transfer of ownership to the owner's lot, and then only to the transferee of ownership to such lot, or by intestate succession, testamentary disposition, foreclosure of a mortgage of record, or such other legal process as now in effect or as may hereafter be established under or pursuant to the laws of the State of Arizona. Any attempt to make a prohibited transfer shall be void. Any transfer of ownership to said lot shall operate to transfer said membership to the new owner thereof.

ARTICLE IX

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien & Personal Obligation of Assessments.

The Declarant, for each lot hereby covenants, and each owner of any lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

- (a) annual assessments or charges; and
- (b) special assessments, if any; such assessments to be established and collected as hereinafter provided.

The annual and special assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the lot against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the owner of the lot at the time the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments.

The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in MARLBOROUGH at DANA RANCH.

Section 3. Maximum Annual Assessment.

- (a) Until January 1, 1983, the maximum annual assessment in all areas designated for single family residential use shall be Twelve Dollars (\$12.00) for each lot.
- (b) From and after January 1, 1983, the maximum annual assessment may be increased each year not more than five percent (5%) above the maximum assessment for the previous year without a vote of the membership.
- (c) From and after January 1, 1983, the maximum annual assessment may be increased above five percent (5%) by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.
- (d) The Board may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessment for Unusual Expenses.

In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any unusual expense incurred or anticipated reasonably, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice & Quorum for any Action Authorized Under Sections 3 and 4.

Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 or 4 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Uniform Rate of Assessment.

Both annual and special assessments must be fixed at a uniform rate for all lots and may be collected on a monthly, quarterly, or annual basis.

Section 7. Date of Commencement of Annual Assessments--Due Dates.

The annual assessments provided for herein may commence as to all lots on the first day of the month following the conveyance of the first lot to an owner other than Declarant. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board shall fix the amount of the annual assessment against each lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified lot have been paid.

Section 8. Effect of Nonpayment of Assessments; Remedies of the Association.

Each owner of any lot shall be deemed to covenant and agree to pay to the Association the assessments provided for herein, and agrees to the enforcement of the assessments in the manner herein specified. In the event the Association employs an attorney or attorneys for collection of any assessment, whether by suit or otherwise, or to enforce compliance with or specific performance of the terms and conditions of this Declaration, or for any other purposes in connection with the breach of this Declaration, each owner and member agrees to pay reasonable attorneys' fees and costs thereby incurred in addition to any other amounts due or any other relief or remedy obtained against

said owner or member. In the event of a default in payment of any such assessment when due, in which case the assessment shall be deemed delinquent, and in addition to any other remedies herein or by law provided, the Association may enforce each such obligation in any manner provided by law or in equity, or without any limitation of the foregoing, by either or both of the following procedures:

(a) Enforcement by Suit. The Board may cause a suit at law to be commenced and maintained in the name of the Association against an owner or member to enforce each such assessment obligation. Any judgment rendered in any such action shall include the amount of the delinquency, together with interest thereon at the rate of ten percent (10%) per annum from the date of delinquency, court costs, and reasonable attorneys' fees in such amount as the court may adjust against the delinquent owner or member.

(b) Enforcement by Lien. There is hereby created a claim of lien, with power of sale, on each and every lot to secure payment to the Association of any and all assessments levied against any and all owners of such lots under this Declaration, together with interest thereon at the rate of ten percent (10%) per annum from the date of delinquency, and all costs of collection which may be paid or incurred by the Association in connection therewith, including reasonable attorneys' fees. At any time within ninety (90) days after the occurrence of any default in the payment of any such assessment, the Association, or any authorized representative may, but shall not be required to, make a written demand for payment to the defaulting owner, on behalf of the Association. Said demand shall state the date and amount of the delinquency. Each default shall constitute a separate basis for a demand or claim of lien or a lien, but any number of defaults may be included within a single demand or claim of lien. If such delinquency is not paid within ten (10) days after delivery of such demand, or, even without such a written demand being made, the Association may elect to file such claim of lien on behalf of the Association against the lot of the defaulting owner. Such a claim of lien shall be executed and acknowledged by any officer of the Association, and shall contain substantially the following information:

- (1) The name of the delinquent owner;
- (2) The legal description and street address of the lot against which claim of lien is made;
- (3) The total amount claimed to be due and owing for the amount of the delinquency, interest thereon, collection costs, and reasonable attorneys' fees (with any proper offset allowed);
- (4) That the claim of lien is made by the Association pursuant to this Declaration; and
- (5) That a lien is claimed against said lot in an amount equal to the amount stated.

(c) Effect of Lien/Foreclosure. Upon recordation of a duly executed original or copy of such a claim of lien, and mailing a copy thereof to said owner, the lien claimed therein shall immediately attach and become effective in favor of the

Association as a lien upon the lot against which such assessment was levied. Such a lien shall have priority over all liens or claims created subsequent to the recordation of the claim of lien thereof, except only tax liens for real property taxes on any lot, assessments on any lot in favor of any municipal or other governmental assessing unit, and the liens which are specifically described in Section 9 hereinafter. Any such lien may be foreclosed by appropriate action in court or in the manner provided by law for the foreclosure of a realty mortgage or trust deed as set forth by the laws of the State of Arizona, as the same may be changed or amended. The lien provided for herein shall be in favor of the Association and shall be for the benefit of all other lot owners. The Association shall have the power to bid at any foreclosure sale and to purchase, acquire, hold, lease, mortgage and convey any lot. In the event such foreclosure is by action in court, reasonable attorneys' fees, court costs, title search fees, interest and all other costs and expenses shall be allowed to the extent permitted by law. Each owner, by becoming an owner of a lot within the boundaries of said property, hereby expressly waives any objection to the enforcement and foreclosure of this lien in this manner.

Section 9. Subordination of the Lien to Mortgages.

The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to mortgage foreclosure or any proceedings in lieu thereof shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE X

The Article and Section headings have been inserted for convenience only and shall not be considered or referred to in resolving questions of interpretation or construction. All terms and words used in this Declaration regardless of the number and gender in which they are used shall be deemed and construed to include any other number, and any other gender, masculine, feminine or neuter, as the context or sense of this Declaration or any Article or Section herein may require, with the same effect as if such number and words had been fully and properly written in the required number and gender. Whenever the words and symbol "and/or" are used in this Declaration it is intended if consistent with the context that this Declaration be interpreted and the sentence, phrase or other part be construed in both its conjunctive and disjunctive sense, and as having been written twice, once with the word "and" inserted, and once with the word "or" inserted, in the place of words and symbol "and/or".

Section 6. Notices.

Any notice permitted or required to be delivered as provided herein may be delivered either personally or by mail. If delivery is made by mail, it shall be deemed to have been delivered twenty-four (24) hours after a copy of same has been deposited in the United States mail, postage prepaid, addressed to each person at the address given by such person to the Association for the purpose of service of such notice or to the address of the lot of such person if no address has been given. Such address may be changed from time to time by notice in writing received by the Association.

Section 7. Leases of Lots.

Any lease must cover a whole lot and all improvements thereon, must be in writing and must provide that the lease is subject in all respects to the provisions of the Declaration, the Articles of Incorporation, and Bylaws of the Association and that any failure by the lessee to comply with those instruments shall be a default under the lease.

Section 8. Management Agreements.

Any management agreement made by the Association will be terminable by the Association for cause upon thirty (30) days written notice thereof, and the term of any such agreement may not exceed one year, renewable by agreement of the parties for successive one year periods.

Section 9. No Partition.

There shall be no judicial partition of any lot, nor shall Declarant or any owner or other person acquiring any interest in any lot seek any such judicial partition, except that any lot may be split between the owners of lots adjacent to such lot so that each portion of such lot would be held in common ownership with another lot adjacent to that portion. Any such portion and adjacent lot shall thereafter be considered to be one lot for the purposes of this Declaration.

Section 10. Severability.

Invalidation of any one of these covenants or restrictions, or any portion thereof, by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect.

Section 11. Successors and Assigns of Declarant.

The rights and powers of Declarant under this Declaration shall run in favor of Declarant and in favor of any successor to the business affairs of Declarant; and said rights and powers hereunder, or any of them, may be assigned and transferred in whole or in part by the Declarant by written instrument recorded in the office of the County Recorder of Maricopa County, Arizona, to any person or persons, partnership or corporation; and any such rights and powers may be released in whole or in part by Declarant by similarly recording a statement of release of such rights and powers to be so released in the office of said County Recorder.

The term "member" and other terms are being used in these Bylaws as they are defined in the DECLARATION OF COVENANTS, CONDITIONS & RESTRICTIONS ("Declaration") which is dated November 16, 1981 and recorded in Docket 15644, page 68 in the Records of Maricopa County, Arizona. As provided therein, all members will be Class A Members except that the Declarant as described in the Declaration shall be a Class B Member while it has three (3) votes per lot.

Section 2. Succession. The membership of each member shall terminate when he ceases to be an owner of a lot covered by the Declaration; and upon the sale, transfer or other disposition of his ownership interests in the lot, his membership in the Association shall automatically be transferred to the new owner succeeding to such ownership interest as described in the Declaration and the Articles of Incorporation.

Section 3. Meetings. Annual meetings of the members shall be held at such place as specified by the Board of Directors in the Notice of the Meeting on the first Tuesday of December in each year at 7:30 P.M., beginning in December of 1984 or at such other time or place as may be determined by a majority vote of the members voting at any meeting of the members. Special meetings of the members may be called by the President or by a majority of the directors or by members having at least two-fifths (2/5) of the votes entitled to be cast at such meeting. The notice of any special meeting shall state the time and place of such meeting and the purposes thereof. No business shall be transacted at a special meeting, except as stated in the notice.

Section 4. Notices. It shall be the duty of the Secretary to deliver or to mail a notice of each annual or special meeting of the members, stating the purpose thereof as well as the time and place where it is to be held, to each member at his address

as it appears on the records of this corporation, or if no such address appears, at his last known place of address, at least ten (10) days prior to such meeting.

Section 5. Voting. Members shall have voting rights as provided in the Articles of Incorporation and in the Declaration. Voting may be in person or by proxy and proxies may be given for more than one meeting. No proxy may be valid after twenty-five (25) months from the date of its execution.

Section 6. Quorum. Except as provided in the Declaration a quorum of members for any meeting shall be constituted by members represented in person or by proxy and holding a majority of the votes entitled to be cast at such meeting.

Section 7. Adjournments. If any meeting of members cannot be organized because a quorum has not attended, the members who are present, either in person or by proxy, may, except as otherwise provided by law, adjourn the meeting to a time not less than forty-eight (48) hours from the time the original meeting was called.

ARTICLE II

Board of Directors

Section 1. Number--Staggered Terms. The Board of Directors of the Association (called the "Board") shall consist of three (3) Directors. The Directors named in the Articles of Incorporation of the Association, and their replacements, shall hold office until the first annual meeting of members and until their successors shall be elected and qualified. At the first annual meeting of members one (1) Director shall be elected to serve a term of one (1) year and two (2) Directors shall be elected to serve a term of two (2) years each. Thereafter, Directors shall be elected for a term of two years so that one year one will be elected and the next year two will be elected. Each Director shall serve until his successor shall be elected and qualified. The word "Director" as sometimes used herein shall mean a person elected to and serving on the Board.

Section 2. Election. Directors shall be elected by the members at the annual membership meetings.

Section 3. Vacancies. Any vacancy occurring in the Board after Declarant's right to elect Directors has terminated may be filled by a majority vote of the remaining members of the Board.

Section 4. Annual Meetings. The first meeting of a newly elected Board shall be held immediately following the annual meeting of members, if practicable, and in any event within ten (10) days of election, at such place as shall be fixed at the meeting at which such Directors were elected, and no notice shall be necessary to the newly elected Directors in order legally to constitute such meeting, provided a majority of the whole Board shall be present.

Section 5. Regular Meetings. Regular meetings of the Board may be held at such place and time as shall be determined from time to time by a majority of the Directors but at least one (1) meeting shall be held during each fiscal quarter. Notice of regular meetings of the Board shall be given to each Director personally or by mail, telephone or telegraph, at least three (3) days prior to the day named for such meeting.

Special meetings of the Board may be called by the President on three (3) days' notice to each Director given personally or by mail, telephone or telegraph, which notice shall state the time, place and purpose of the meeting. Special meetings of the Board shall be called by the President or Secretary in like manner and on like notice on the written request of any two (2) Directors.

Section 7. Waiver of Notice. Before or at any meeting of the Board any Director may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a Director at any meeting of the Board shall be a waiver of notice by him of the time and place thereof. If all Directors are present at any meeting of the Board, no notice shall be required and any business may be transacted at such meeting.

Section 8. Quorum. At all meetings of the Board, a majority of the Directors shall constitute a quorum for the transaction of business, and the acts of the majority of the Directors present at a meeting at which a quorum is present shall be the acts of the Board. If, at any meeting of the Board, there shall be less than a quorum present, the majority of those present may adjourn the meeting from time to time. At any such adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted without further notice.

Section 9. Removal. Any Director may be removed from office by two-thirds ($\frac{2}{3}$) of the votes cast at a meeting of the members.

(f) To estimate the amount of annual budget and to provide the manner of assessing and collecting from the members their respective shares of such estimated expenses, as hereinafter provided;

(g) To exercise all of the rights, powers and duties granted to it by the Declaration;

(h) Unless otherwise provided herein or in the Declaration, to comply with the instructions of a majority vote of the members as expressed in a resolution duly adopted at any annual or special meeting of the members.

Section 12. Non-Delegation. Nothing in this Article II or elsewhere in these Bylaws shall be construed to grant to the Board or to the officers of the Association any powers or duties which, by law or the Declaration, have been delegated to the members.

ARTICLE III

Officers

Section 1. Designation. At each annual meeting, the Board shall elect the following Officers of the Association:

(a) A President who shall be a Director and who shall preside over the meetings of the Board and of the members and who shall be the chief executive officer of the Association;

(b) A Vice President who shall in the absence or disability of the President perform the duties and exercise the powers of the President;

(c) A Secretary who shall keep the minutes of all meetings of the Board and of the members and who shall in general perform all the duties incident to the Office of Secretary and who may be a representative of the managing agent;

(e) Such additional Officers as the Board shall see fit to elect.

Section 2. Powers. The respective Officers shall have the general powers usually vested in such Officers; provided that the Board may delegate any specific powers to any other Officer or impose such limitations or restrictions upon the powers of any Officer as the Board may see fit.

Section 3. Term. Except as provided in Section 4, each Officer shall hold office for the term of one (1) year and until his successor shall have been elected and qualified.

Section 4. Vacancies. Vacancies in any office shall be filled by the Board at regular or special meetings thereof. Any Officer may be removed at any time by the Board at a regular or special meeting thereof.

Section 5. Compensation. The Officers shall receive no compensation for their services, unless expressly provided for in a resolution duly adopted by the members.

Section 6. Bonding. The Board shall require that all Officers and employees of the Association handling or responsible for Association funds shall furnish adequate fidelity bonds. The premiums on such bonds shall be paid by the Association.

ARTICLE IV

Assessments

Section 1. Annual Budget. The Board shall cause to be prepared an estimated annual budget for each fiscal year of the Association. Such budget shall take into account the estimated expenses and cash requirements for the year. The annual budget shall provide for a reserve for contingencies for the year and a reserve for replacements in reasonable amounts as determined by the Board. To the extent that the assessments and other cash income collected from the members during the preceding year shall be more or less than the expenditures for such preceding year the surplus or deficit as the case may be shall also be taken into account.

Section 2. Assessments. Subject to the limitations of the Declaration, the estimated annual budget for each fiscal year shall be approved by the Board, and copies thereof shall be furnished by the Board to each member not later than ninety (90) days after the beginning of each year. The Board may make assessments on a monthly, quarterly or semi-annual basis. On or before the first day of the first assessment period and of each succeeding assessment period of the year covered by the annual budget each member shall pay as his assessment for the common expenses his proportionate share of the common expenses for that assessment period as shown by the annual budget. The Board may cause to be sent to each member on or before the first day of each assessment period a statement of the assessment of such member for that period, but the failure to send or to receive such assessment shall not relieve any member of his obligation to pay his assessment on or before the first day of each assessment period. In the event that the Board shall not approve an estimated annual budget or shall fail to determine new assessments for any year or shall be delayed in doing so, each member shall continue to pay each assessment period the amount of his respective assessment as last determined. Each member shall pay his assessment on or before the first day of each assessment period to the manager or managing agent or as may otherwise be directed by the Board. No member shall be relieved of his obligation to pay his assessments by abandoning or not using his lot.

Section 3. Partial Year or Month. For all fiscal years prior to the first annual meeting of members, the annual budget shall be as approved by the first Board. If such first year or any succeeding year shall be less than a full year, then the monthly assessments for each member shall be proportionate to the number of months and days remaining in the period covered by the current annual budget, and which assessment shall be as computed by the Board.

Section 4. Annual Report. Within ninety (90) days after the end of each year covered by an annual budget or as soon thereafter as shall be practicable, the Board shall cause to be furnished to each member a statement for such year so ended showing the receipts and expenditures and such other information as the Board may deem desirable.

Section 5. Supplemental Budget. Subject to the limitations of the Declaration, in the event that during the course of any year it shall appear to the Board that the monthly assessments determined in accordance with the estimated annual budget for such year are insufficient or inadequate to cover the estimated expenses for the remainder of such year, then the Board shall prepare and approve a supplemental budget covering the estimated deficiency for the remainder of such year, copies of which supplemental budget shall be furnished to each member. Subject to the limitations of the Declaration, a supplemental assessment shall be made to each member for his proportionate share of such supplemental budget.

Section 6. Capital Expenditures. Expenditures for capital improvements and special assessments for them shall be limited as provided in the Declaration.

Section 7. Lien. Every member shall be personally liable to pay his assessment in accordance with the Declaration. As provided herein, each assessment shall be secured by a lien against the member's lot and improvements thereon. The Association and the Board shall have the authority to exercise and enforce any and all rights and remedies as provided for in the Declaration or these Bylaws or otherwise available at law or in equity for the collection of all unpaid assessments.

Section 8. Records and Statement of Account. The Board shall cause to be kept detailed and accurate records in chronological order of the receipts and expenditures. Payment vouchers may be approved in such manner as the Board may determine. All records and vouchers authorizing payments shall be available for

examination by the members at convenient hours of week days. The Board shall, upon receipt of ten (10) days notice to it or the Association and upon payment of a reasonable fee, furnish any member a statement of his account setting forth the amount of any unpaid assessments or other charges due and owing from such member.

ARTICLE V

The Declaration

The provisions of the Declaration are hereby incorporated herein by reference as if fully and completely set forth herein.

ARTICLE VI

Corporate Seal

The Board may provide a suitable corporate seal containing the name of this corporation, which seal shall be in charge of the Secretary. If so directed by the Board, a duplicate of the seal may be kept and used by the Treasurer or any Assistant Secretary or Assistant Treasurer. The seal shall not be required for any purpose in connection with corporate documents or acts, unless required by law.

ARTICLE VII

Fiscal Management

Section 1. Fiscal Year. The fiscal year of this corporation shall be the calendar year and begin on the first day of January of every year, except that the first fiscal year of this corporation shall begin at the date of incorporation. The commencement date of the fiscal year herein established shall be subject to change by the Board should corporate practice subsequently dictate.

Section 2. Books of Account. Books of account of this corporation shall be kept under the direction of the Treasurer on a consistent basis in accordance with good accounting practices.

Section 3. Contracts. Unless otherwise provided by the Board, all contracts shall be executed on behalf of the corporation by either the President or Vice President and countersigned by the Secretary, Treasurer, Assistant Secretary or Assistant Treasurer.

ARTICLE VIII

Amendments

These Bylaws may be amended from time to time by the affirmative vote of a majority of the Directors or by the affirmative vote of a majority of a quorum of members present in person or by proxy at a members meeting, provided that so long as there is a Class B membership any such amendment must be approved by the Veterans Administration or the Federal Housing Administration before it will be effective.
